

Goyal Inc

We Make It Look Easy

Casted & Precision Machined Components

Welcome Note

We are surrounded by aluminum. In Our Homes, Our Cars and in the very Aeroplanes that Connect our World. But behind every aluminum product, there are components with a story of **Vision, Precision and Commitment.**

Welcome to **Goyal Inc**, where **Aluminum meets Ambition.**

Set across **42,000 Square Meters**, Goyal Inc. stands as one of World's most **Integrated Aluminum Casting, Aluminium Extrusion and Precision Machining Plant** all under one roof of 250,000 Sq Feet. Our in house capabilities span the entire value chain & designed for excellence.

This is not just manufacturing. This is **Trust, Technology and Transformation.**

Company Overview

40+

Years of Manufacturing
Excellence

Govt. of India

Recognized
Export House

42,000

Sq. Mtrs.
Integrated Facility

250,000

Sq. Feet of
Shop Floor

100+

Satisfied Customers
Worldwide

Export Presence in

20+
Countries

Vision :

To be the global benchmark in Precision Engineered Aluminum Solutions.

Mission :

To deliver ready to use, Reliable, Sustainable and High Quality Aluminum Components, Empowering Industries Worldwide with Trust and Innovation.

We Make It Look Easy

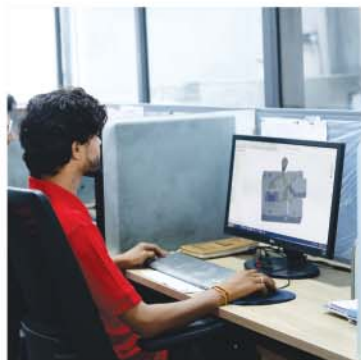

Integrated Capabilities, End-to-End Precision

At **Goyal Inc.**, We bring together the complete Aluminum Manufacturing Ecosystem under One Roof. From Initial Design to Final Finishing, Our processes are Streamlined, Scalable and Built for Excellence.

Our Capabilities:

- Aluminium Alloy Manufacturing
- Design & Tooling
- Casting & Extrusion
- Precision Machining
- Surface Finishing
- Packaging & Logistics

Each stage is backed by Advanced Technology, Skilled Craftsmanship and Global Compliance Systems.

We Make It Look Easy

Aluminium Alloy Manufacturing

Alloy forms the foundation of every solution at Goyal Inc.

- Controlled Melting and Refining Processes
- Consistent Quality and Reliability
- Lightweight, High Strength Alloys

APPLICATIONS:

Automotive

Electricals

Aerospace

Consumer
Goods

We Make It Look Easy

Design & Tooling

Our In House Design and Tooling Expertise Ensures
Faster Development Cycles and Precise Outcomes.

APPLICATIONS

Defence

Electronics

Domestic
Appliances

Machinery &
Automotive

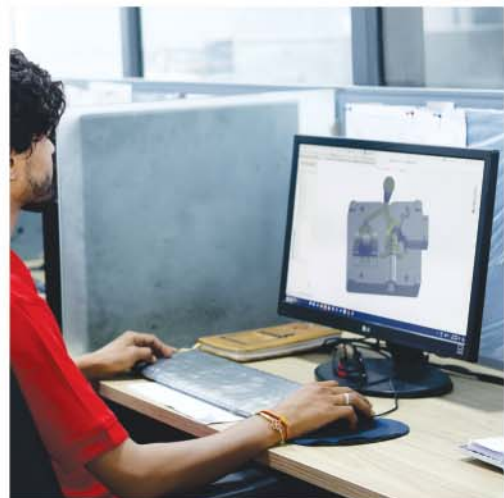

**Tool and Die Development
for Casting & Extrusion**

Complex Geometry Solutions

**CAD/CAM Based Design
Systems**

Prototyping and Validation

Result : No Blame Game, Reduced Lead Times and Complete Ownership.

We Make It Look Easy

PRODUCTS

We Make It Look Easy

Casting

High Pressure Aluminum Die Casting produces components with Dimensional Accuracy, Strength and Consistency.

APPLICATIONS

Defence

Electricals

Building
Hardware

Consumer
Goods

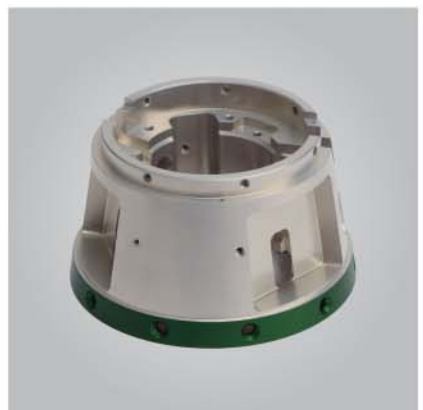

Extrusion

Durable, Versatile Profiles Shaped using Precision Engineered Dies.
Lightweight yet Strong & Varied Application.

We Make It Look Easy

PRODUCTS

We Make It Look Easy

Precision Machining

Our Advanced CNC Facility, including 5-axis Machining, delivers High Complexity parts with Micron Level Precision.

- Automated Programming for Repeatability
- Zero Defect Manufacturing

APPLICATIONS

Aerospace

Defence

Engineering

Electronics

We Make It Look Easy

PRODUCTS

We Make It Look Easy

Surface Finishing

We enhance Durability, Aesthetics and Functionality through Advanced Finishing Processes :

- **Powder Coating** : Protective Finish
- **Painting** : Aesthetic Look
- **Anodizing** : Corrosion Resistance
- **Electro Coloring / Colour Dye** : Vibrant, Lasting Shades

Result : Performance Ready, Visually Refined Components.

APPLICATIONS

Electricals

Building
Hardware

Machinery &
Automotive

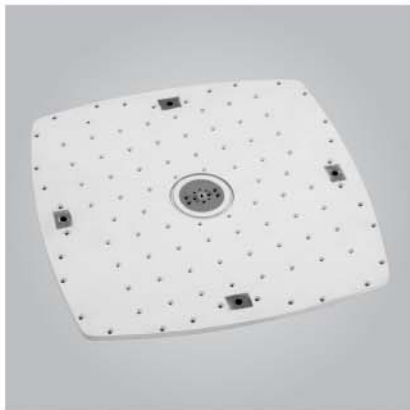

Sanitary &
Furniture

PRODUCTS

We Make It Look Easy

Packaging & Logistics

Every Component is Packaged with Care, Ensuring Safety during Handling and Transport.

- Customized Packaging Solutions
- Global Shipment Readiness
- Integrated Logistics Support

APPLICATIONS

Engineering

Electronics

Consumer Goods

Machinery & Automotive

"We deliver the products in time with perfection"

We Make It Look Easy

Quality is a Mindset

Our Assurance Includes :

- In Process Checks at Every Stage
- Material Traceability
- Mechanical and Chemical Testing Labs
- Compliant with International Standards
- Lean, Poka Yoke, 5S and Kaizen Systems

We Make It Look Easy

Industries Served

Goyal Inc powers Innovation across Multiple Sectors :

Aerospace
High Strength, Critical Applications

Defence
Precise, Reliable, Safety and Rigid

Engineering
High Precision, Varied Industries

Electricals
Durable Die Cast Components

Electronics
Lightweight, Conductive Parts

Consumer Goods
Reliable and Aesthetic Components

Domestic Appliances
Robust Aluminum Housings

Building Hardware
Strong, Weather Resistant Parts

Machinery & Automotive
Precision Engineered Performance Parts

Sanitary & Furniture
Sleek, Aesthetic Finishes

Trusted across Industries. Built for Tomorrow.

We Make It Look Easy

What Sets Us Apart?

- **Technological Leadership** : Digital Tools & Cutting Edge Processes
- **Customization** : From Sketches to Finished Parts, Tailored to your needs.
- **Quality Assurance** : Consistency, Accuracy and Global Compliance.
- **Contract Manufacturing** : End to End Services for Diverse Industries
- **40+ Years of Trust** : A Proven Legacy of Excellence.

We Make It Look Easy

The Power Behind Precision

Our Facility Spans **42,000 Sq. m.**, Equipped With World Class Machinery and Digital Systems. Shop Floor of 250,000 Sq. Feet.

Strengths :

- Integrated Casting, Extrusion, Machining and Finishing Units
- Skilled Technicians & Seasoned Engineers
- Continuous Improvement Culture (Lean, 5S, Kaizen)

People are at the Heart of Goyal Inc. Our Workforce is Trained, Motivated and Aligned with Our Vision of Global Excellence.

We Make It Look Easy

Giving Back, Building Forward

At Goyal Inc, We Believe in Responsibility Beyond Business.

- **Education Support** : Scholarships & Learning Initiatives
- **Environmental Action** : Recycling, Energy Efficiency, Green Practices
- **Community Development** : Healthcare & Welfare Programs

Our Focus on **Sustainable Aluminum Practices** ensures a Lighter Footprint for Future Generations.

Global Footprint. Future Focus.

Today, Goyal Inc exports to **20+ Countries**, Empowering Industries from **Aerospace and Defence to Consumer Goods and Furniture.**

Future Vision :

To Expand our Global Reach, Invest in Cutting Edge Technology and Pioneer Sustainable Aluminum Solutions for the Next Generation.

Driven By People. Powered By Technology. Backed By Trust.

We Make It Look Easy

Our Subsidiaries :

Shaping Innovation Beyond Casting

Beyond Lineals

Aluminium Extrusion,
Machining & Aesthetically Finished
Profiles/Components

Specializing in Customized Aluminium Profiles for Industrial Applications, Construction and Interiors. Beyond Lineals delivers Design Flexibility, High Precision Machining / Cutting and Flawless Finishes that power Modern Engineering Solutions and Architecture.

SecureAir

Futuristic Solutions for Compressed Air

Fully Modular Compressed Air Delivery System.
Secure Air provides innovative solutions for Reliable,
Efficient and Sustainable Air Delivery Systems.
