6. With a view to streamlining the reporting of quantity marked, calculation and collection of marking fee on the unit rate basis, fees will be calculated on the production marked during the first nine months of operation of the licence at the time of first renewal, and on the production marked during twelve months comprising the last three months of the previous operative year and the first nine months of the current operative year, at the time of the second and subsequent renewals. In case the licence expires, the entire production marked till the expiry date shall be taken into account for calculating the marking fee payable.

7. The Scheme of Testing and Inspection as specified by BIS will have to be implemented by your organization strictly and completely. This supervision of the operation of the Scheme shall be done by a person responsible for the quality control function in your organization. Kindly inform us the name and designation of the person who will be held responsible for the operation and maintenance of the Scheme. Any future change in this respect will have to be communicated by you to us as and when these take place.

8. We are enclosing a sheet giving the preferred dimensions of the Standard Mark to enable you to prepare the designs of the Standard Mark for marking the above product Photographic reduction in any size is permissible. This will ensure the relative proportions of the different dimensions maintained. Preferred dimensions be used as far as possible.

9. On commencement of marking of your product for which you are licensed, you may advertise your product with Standard Mark in various media only during the validity of your licence. The use of Standard Mark on letterheads and publicity literature will be permitted only on receipt of your assurance that in the event of cancellation or lapsing of your licence, the Standard Mark on your letterheads, publicity literatures etc. will be destroyed/obliterated.

10. This licence is granted for your factory situated at **Village Katha, Khasra No. 1883/1884/1885, Delhi Saharanpur Nh 709 B, Khekhra Rural, Baghpat, Uttar Pradesh, 250101**. Privileges under the licence shall not be exercised by any other firm company/factory etc. This licence is not transferable in the event of shifting the manufacturing and testing equipment from the licensed premises to some other place, use of Standard Mark shall be stopped till the new premises are inspected and found to be satisfactory by us in respect of manufacturing and testing facilities available there and the address of the new premises is endorsed in the licence.

11. It may be noted that licence is granted under option 2 which is subject to the condition that if samples drawn on **15 Jul 2025** by BIS during the verification visit before grant of licence, fail to confirm to the requirements for relevant Indian Standards (in any requirement), the licence shall be put under suspension, and in case fresh sample after corrective action is not offered within one month of fresh sample fails to conform to the requirement of relevant Indian Standard, in any requirement, the licence shall be processed for cancellation.

12. As per the guideline, you should cover the entire production under scope of licence with BIS Standard mark and maintain conformity to the relevant Indian Standards. You are therefore advised to update the consignee and Month wise production details in Manak Online portal. In addition, you should display the BIS product certification licence prominently at your premises and also mention the BIS Product certification licence held by you in your commercial advertisement and ensure compliance.

Thanking You,
